Inventor search: Porat, Michael	8 April 2008	TEB
East search: prophylactic , methyl paraben, vaginal bacterila flora, candida albican treated with fungivides	8 April 2008	TEB
NPL literature: prophylactic, methyl paraben percentage concentrations in lubricants	8 April 2008	TEB
Updated search: enclosed	4 February 2009	TEB
Discussed the case with J. Railey. The motivation to include a fungicide and spermicide in a PEG lubricant for palliating candida albican infections inter alia has been examined. A thorough search report via EAST is also provided to establish the motivation to combine. At present , there is an ODP that has not been responded to by the applicants either via response or terminal disclaimer.	28 August 2009	TEB
